

Mark Hans EMANUEL

--22. Method according to claim 20, in which the insertion into said cavity of said device comprises the insertion of an insertion mandrel, and the removal thereof followed by the insertion of the cutting means.

--23. Method according to claim 21, in which the insertion into said cavity of said device comprises the insertion of an insertion mandrel, and the removal thereof followed by the insertion of the cutting means.

R E M A R K S

The above changes in the specification merely places the national phase application in the same condition as it was during Chapter II of the international phase.

Respectfully submitted,

YOUNG & THOMPSON
